The All Assam Students Union has demanded a CBI enquiry into the rhino poachings at the Kaziranga National Park and alleged that the poachers are backed by a section of forest officials and also by some ministers and MLAs.

Addressing a press conference in the city, AASU General secretary tapan Kumar Gogoi said that the failure to check the rhino poachings is proves that a section of forest officials backed some ministers and MLAs have been aiding and abetting the poachers. He said only a CBI probe could unearth the truth behind it.
