This year the Nagaon enthusiastic 'Bihu' lovers are having something precisely to worry much beyond chilliness woes gathering surrounding Nagaon city. The common man is having tough time ahead just on the eve of Bihu purchasing as price of almost all the commodities including vegetables and fruits widely used on Bihu is much higher than preceeding year-2010.

The election year is really giving pain to common Bihu lovers at the cost of happiness coming at big price with no surprise.
