Former Arunachal Pradesh chief minister Kalikho Pul's wife Dongwimsal Pul has demanded CBI probe into her husband's revelations against Pema Khandu along with his deputy.

Addressing a press meet in Itanagar (/taxonomy/term/2394) on Saturday, she said the revelations are serious which need a thorough probe. She said prime minister Narendra Modi (/taxonomy/term/2361) and his minister of state (/taxonomy/term/2332) Kiren Rijju, who hails from the north eastern state (/taxonomy/term/2332) should order a probe.

The accused trio should step down for the sake of an impartial probe,said the widow a couple of days after Pul's revelations came to light in media.
