## Rainwaters flood Guwhati

[editor](#) · 00:03, 7 Sept 2010 · 8319 views · 1 min read

A heavy downpour brings untold misery for Guwahatians in the form of flood and massive traffic jam. Many parts of the principal north eastern city are flood half an hour after it lashed Guwahati causing much inconvenience for the people. Rainwaters have already submerged Ganesguri, Bhangagarh, Chandmari, Lachitnagar. Trafficjam has made the situation more worse. Massive trafficjam has created disorder for several hours on the GS Road.
