Kokrajhar, April 30: The Reality Public School, Kokrajhar, a private managed english medium school has turned seven years today as the school management committee celebrated the 7th Foundation Day in connection with annual school week celebration.

The annual foundation day was celebrated to mark the annual school week celebration, which was organised by School Management Committee. The school was founded in 2012 to facilitate quality education among the society and serving quality education since its inception. [Principal](#) of Gauhati Medical College Dr AK Adhikari graced as Chief guest on the day. Students of the school showcased beautiful cultural activities which created amusement.

Chairman of the school SK Brahma addressed the welcome address to the attended guests.

Dr Adhikari appreciated the school authority for leading a good educational institution in Kokrajhar. He has emphasised quality education among society to meet healthy living as well human resource development. He has urged the guardians to be dedicated while building quality education.

'I am very much impressed with the school administration as the school annual day was saw huge programmes that created amusement', Dr Adhikari said.

Chairman of the school management committee, Brahma said that the school has been discharging duties with dedicatedly to bring healthy educational environment in the region. He said that this year school has been getting secondary school affiliation from Delhi under CBSE and providing quality education. He has appealed to all sections of society to cooperate the school to serve more deicative in bringing healthy education.
