### Rhino killing spree in Kaziranga

AT News · 17:54, 3 Aug 2016 · 7917 views · 1 min read

Poachers in the famed Kaziranga ([/taxonomy/term/122](#)) National ([/taxonomy/term/1874](#)) Park have stepped up strikes striking the advantage of the current flood wave.

In yet another incident of rhino killing rerun, poachers on Wednesday killed a full grown female rhino along with her calf in Kaziranga ([/taxonomy/term/122](#)) and took the horns away.

The shocking incident took place in the Bagori range of the national park where the forest guards ([/taxonomy/term/2185](#)) in the flooded sanctuary spotted the carcass of the female rhino and her calf.
