Rotaract Club is a service, leadership and community/university based organization for young men and women between the ages 18–30.

Rotaract focuses on the development of young adults as leaders in their communities and workplaces. There are over 9,030 Rotaract clubs around the world with over 207,690 members and it is here in GUWAHATI too to make its presence felt. Youth who wants too be a part of it can simply join this group on facebook, <https://www.facebook.com/groups/421458671278773/> and can get all the updates at this page from time to time. People can even email the team at rotaractclub.guwahati@gmail.com or contact at 08724815101. It is fun to be a part of this club because it is run by the youth only and also the fact that it is an international organisation.

The club is inviting members on Sunday, March 10, 2013 at 11 am to be a part of an interactive session wherein they will be informed how a rotaract club functions and what does an individual need to do being a member of it.
