RAJU BARUAH FROM TEZPUR

Congress workers in large number welcomed Bhupen Bora in Tezpur on Monday two days after the AICC general secretary allowed to contest in the Lok Sabha polls from this seat.

Immediately after he landed at the historic town, he was accorded a rousing welcome by the partymen who were waiting since AICC poll panel cleared his name.

MLA Pallab Luchan Das was conspicuous by his absence in the brief but significant function while Rajen Borthakur met him before formally launching the poll campaign.
