Sabin Bodo was arrested in false allegation as demanded by his family and kin. The ex-NDFB cadre, who was discharged from the banned outfit in the last December due to second marriage and since then he has been in Guwahati for business purpose. But he was arrested for the alleged involvement with the 30/10 bomb blast in Guwahati. Namita Bodo, first wife of Sabin Bodo demands that the police arrested him with false allegation which is completely politically motivated. She added, 'we can't think that he could keep any relation with NDFB from his discharge on account of breaking of the constitutional provision of the organization, and as such he was not involved with the recent bomb blast'. It is a conspiracy of the state government, she said. It will be worthwhile to mention here that the entire intelligence bureau predict that Jehadi's hand remained behind the bomb blast that occurred across the state. But the state government for political interest try to mislead the mass by pouncing the name ULFA and NDFB. However, the common mass discard the government propaganda since they are aware of the history of the NDFB and ULFA that these ban outfit were not involved with such a huge mass destruction activities. On the other hand, Tarun Gogoi, chief minister of Assam, try to trivialize the issue by dispelling mean message.
