KOHIMA: [Nagaland](#) chief minister TR Zeliang has urged the investors to set up bamboo processing plant in the [state](#) in view of the plenty of raw materials.

In his address at the governing body meeting of the [Nagaland](#) Bamboo [Development](#) Authority, Zeliang said the north eastern [state](#) has huge potential for bamboo processing plants since 11 districts have registered good growth in bamboo plantation.

He said sending bamboo outside the [state](#) wont be viable since it is costly to transport the raw material from the remote areas. Hence, setting up bamboo plants in the [state](#) would be an ideal and lucrative initiative.
