The TMC Assam unit has opposed the draft delimitation proposal published by the Election Commission of India (ECI) on Tuesday evening. The proposal is prepared based on the 2001 census, which the TMC claims is not correct as there has been a change in the population pattern in the state. Assam TMC chief Ripun Bora has alleged that the ECI is following the dictates of the BJP party and that the delimitation process on such short notice reflects the assurance of electoral gains through voter division. Bora also stated that the delimitation cannot be accepted without the completion of proper NRC and that TMC has been demanding delimitation on the latest census. The TMC has rejected the draft delimitation proposal for Assam published by ECI.
