Despite stiff resistance and impending legal hurdles, Dispur is preparing to appoint the selected candidates in the ACS, APS and allied services in a day or two.

Sources told Assam Times that the process to issue formal appointment orders gathered momentum on Saturday after the government received a confidential suggestion from the advocate general AK Borgahain to go ahead.

In his letter sent on Saturday, the advocate general said that the high court has not asked the government to keep the appointment process pending even after accepting Akhil Gogoi's [PIL](#) alleging anomalies and corruption in the combined competitive examination to select candidates for ACS, APS and allied services.

The high court is scheduled to hear the [PIL](#) on August 14.

NAZIRA, October 13, 2026 — The Nazira administration launched an eviction drive at Rangajan Tea Estate in Santak Grant, Bihubar, along the Assam–Nagaland border, on October 9 to clear approximately 560 bighas of allegedly encroached land.

The operation, reportedly initiated following the intervention of Nazira MLA Mayur Borgohain, involved a large team of administrative officials and Assam Police personnel.

Several JCB excavators were deployed to clear the land. The operation is expected to continue for several days, given the extent of the area involved.

Sources indicated that the vacated land may be used to rehabilitate flood-affected families, although further details of the proposed rehabilitation plan were not immediately available.
