BJP leader Sushma Swaraj on Friday slammed the government for unabated infiltration to Assam from across the Indo-Bangla border. Addressing a seminar in Guwahati on Friday Swaraj blamed the IMDT for the failure in detecting and deporting the Bangladeshi immigrants. She told that the IMDT was introduced to shield the immigrants. The BJP leader regretted the NDA government's failure to implement the Accord. Organized by NEPR, the two day long was attended by several political leaders and intellectuals at Machkhowa ITA.
