Teachers in Chirang district suspended their duties of paper evaluation of HSLC examinations for indefinite period following non-release of arrears and salaries before Bihu as they urged the education department authorities for solutions of their grievances.

The teachers who were engaged in paper evaluations of HSLC examination alleged that they have not been given arrears of six months and salaries before Bihu and hence stepped to agitations for their grievances. The teachers suspended their paper evaluation duties for indefinite from today, on the other hand the SEBA has directed all inspector of schools (IS) in the state to complete evaluations by April 20.
