The update of the pilot project for the National Register of Citizens, 1951 has started from June 7 at Barpeta revenue circle in Barpeta district, according to official sources. Mentionable that, in the year 2009, April 22, the tri-partite discussion of Central government, State government and AASU was held regarding the NRC updates and in that discussion it was assured that the government had surely started the NRC updates in two revenue circles namely , The Chaygaon revenue circle in Kamrup district and BARpeta revenue circle in Barpeta district of Assam. According to the provisions of sub-rule (3) of rule 4A of the Citizenship (Registration of Citizens and Issue of National National Identity Cards) Rules, 2003, the Register General of Citizens Registration hereby notifies [File no-9/5/2009-CRD(MNIC)] that the enumeration in respect of the said two revenue circles of Barpeta and Chaygaon shall take place from the first day June, 2010 to 31st day of December, 2010. The official sources of Barpeta deputy commissioner's office informed that though the execution of the NRC updates notification had started from June 1/10, it is a matter of great regret that Barpeta district administration has received the notification on June 3/10. And after getting the notification Barpeta district administration has conferred the charge of this act to Pradip Kr. Bhagawati, ADC, Barpeta as an observer. The NRC forms will be available at local gaon panchayats, municipality offices within a very short period.
