More than hundred wild elephants attacked the Central Nursery of forest department at Switch Gate near Compartment No.4.inside Khalingduar Reserve Forest in Udalguri district last night causing extensive damage to the buildings and walls under construction. Interestingly,a few wild elephants had been roaming in the nursery the previous night on May 14.In order to chase them away forest personal resorted to firing causing minor injury to some of the herd.Being teased that way all the wild elephants numbering more than hundred attacked forest personal in retaliation forcing them to retreat to the range office.
