AT News 27 September 2014 16485 views

Students from a [US](#) school were excited to have interacted with their counterparts Nagaon district on Saturday. They came to the state as part of an effort to promote science, technology, engineering, and mathematics education in India. Comprising six juniors and seniors from West Fargo High School in North Dakota in [US](#), they took up the unique and ambitious effort to promote science, technology, engineering, and mathematics (STEM) education in India and interacted with the students of Nagaon Bengali Girls' High School. The West Fargo team will work with the Indian school. They made a strong presentation on STEM education which was followed by interactions with the Nagaon students with their teacher Nasset highlighting the importance of STEM and how it can help every student to better prepare for the challenges faced in everyday life. The team demonstrated their robot that "plays basketball and soccer" and went on to describe the intricate parts of the robot. With 30 students , the Nagaon team led by subject teacher Aparna Bhattacharjee was very excited to be involved in this programme and interacted with the [US](#) students in both Assamese and English.

GUWAHATI, July 21, 2026 — Bharti Airtel Foundation organised a Skill Fest at Ganesh Das High School in Sualkuchi, Kamrup Rural district, to strengthen the skill ecosystem among school students.

The sessions were conducted by Ranjan K. Baruah, Career Mentor and Skill Trainer from the North East Youth Foundation, focusing on English communication, public speaking and career guidance. Students from Bhringeswar High School, Sualkuchi Higher Secondary School, Ganesh Das High School, Bongshar Jalti Das High School and Srihati Bathan High School participated in the programme.

The event was coordinated by Principriya Hazarika, Academic Mentor of Bharti Airtel Foundation, with support from Ratul Kalita, Science and Mathematics Teacher of Ganesh Das High School, under the guidance of Head Teacher Gangadhar Kakati.

The programme featured interactive activities and practical sessions aimed at enhancing communication skills, self-expression, confidence and career awareness among students.
