Being a responsible part of the society every journalist should be impartial and carry a dedicated positive attitude. For the all round development of our society media persons should search the sheds of hope and real dreams in the field of destruction and try to play a constructive role naturally. Thus said senior journalist Wasbir Hussain at an informal discussion with the members of Freelance Journalist Association of Nazira on March 23. He emphasised the role of media persons as a responsible human being in our present society. A large numbers of local reporters of Nazira were present in the discussion. FJA, Nazira felicitated Hussain with a Cheleng Sador and Gamusa.
