World Heart Day observed by Dispur Hospitals

AT News · 12:22, 29 Sept 2016 · 8021 views · 1 min read

Assam's well known medical institution Dispur Hospitals celebrated [World Heart](#) Day on Thursday with a march in the morning for creating awareness about heart ailments. Nearly 100 participants wearing heart day T shirts & raising slogans with placards joined in the walkathan on city streets and tried to aware people about the growing menace of cardiovascular diseases. After the walkathon a general check up camp for all cardiac patients was organised in the hospital premises.

The morning march was flagged of by journalist Nava thakuria and it was participated by Dr Jayanta Bardoloi, Dr Banajit Chaudhury, Dr Chandan (/taxonomy/term/1704) Modak, Dr S N Goswami, Ujjal Saikia etc.
